At *Granite Bay Speech*, we offer individual and group classes to improve social language skills. Skills are taught utilizing the latest research based techniques.

Fun, interactive play and discussion create a safe, nurturing environment to grow social skills. We create a personalized program just for you!

## Social Skills Groups      Ages 3 to 18

**In the following social skills groups, students are taught how to interact appropriately with peers and through games and role playing**

Students in the “*Let’s Play!*” group, **ages 3 to 5**, learn to socialize with their peers using toys and games. Class goals include how to: share, take turns, ask for help, control frustration and have fun with others.

Goals for classes, **ages 6 to 15**, may include: social rules, conversation starters, facial expressions, turn-taking, flexible thinking, assertiveness, coping skills, understanding feelings, body language, personal space, manners, non-verbal skills, understanding expressions, humor and sarcasm.

### Let’s Play! Ages 3 to 5

### Superthinkers! Ages 6 to 9

### Superthinkers Plus! Ages 10 to 12

### Social Club! Ages 13 to 15

### Speaking for Success! Ages 16 to 18

In our “*Speaking for Success*” group, students are taught how to interact more effectively with adults, teachers and employers. Goals are individualized and may include: college entrance interviews, employment interviews, advocacy skills and politely refusing and accepting invitations. Students may choose to be videotaped for self-analysis and skill review at home.
