Express ideas without stuttering	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Comprehends all question types including "How many?"	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

If your child is *not* demonstrating the above developmental skills, contact us to schedule a no-cost phone consultation. It is better to call now, than to "wait and worry". We will help you determine if your child is experiencing normal variations in development or if your child could benefit from therapy. Often, short term intervention is all that is needed to prevent future social or academic concerns.
